Dear Mr. Prashant,

I hope this letter finds you well. We, at Jiv Daya Foundation, wanted to take a moment to acknowledge the invaluable collaboration between Jiv Daya and Nayonika Eye Care Charitable Trust in the pursuit of our India Eye Care Initiative.

Since our partnership commenced in February 2022, Nayonika's support has played a pivotal role in expanding our eye care initiative to several government medical colleges, regional institutes of ophthalmology, across various states in India. Notably, these states include Karnataka, Tamil Nadu, Madhya Pradesh, Punjab, Uttar Pradesh, and Telangana.

With Nayonika's assistance, Jiv Daya Foundation has successfully extended its eye care initiative to over 20 hospitals throughout India.
